Program	Definitions	Admission requirements	Selection	Deferment
Bachelor of Dental Science (Honours)	<ol style="list-style-type: none"> Rural Australia means a remoteness area in categories ASGC-RA 2 to ASGC-RA 5 in accordance with the Australian Standard Geographical Classification – Remoteness Area system. Rural sub-quota means the number of places within the quota for this program set aside for the rural special entry scheme for this program. 	<ol style="list-style-type: none"> Applicants must have completed Year 12 English and Chemistry (or equivalent); and <ol style="list-style-type: none"> domestic applicants must have a UMAT score obtained in the year of application; and overseas applicants must have— <ol style="list-style-type: none"> a minimum entry score determined by the Executive Dean; and a minimum UMAT score as determined by the Executive Dean, gained in the year of application. For the rural sub-quota: applicants must have— <ul style="list-style-type: none"> a minimum OP/rank as determined by the Executive Dean; and supporting documentation to demonstrate residence of at least 10 years cumulatively or any 5 years consecutively in rural Australia, since birth. Alternative entry The Executive Dean may permit direct entry to the program for students from target equity groups through an approved alternative entry scheme. 	<ol style="list-style-type: none"> Domestic applicants will be selected on the basis of the OP/rank. The UMAT aggregate score will be used as a secondary differentiator between applicants on the same Rank or OP. The UMAT Section 1 score will be used as a third differentiator between applicants with the same UMAT aggregate. Overseas applicants <ol style="list-style-type: none"> Selection will be in order of application. If UMAT tests have been taken, the better of the two test results will be used. 	

Program	Definitions	Admission requirements	Selection	Deferment
<p>Doctor of Medicine (Provisional Entry for School leavers)</p>	<ol style="list-style-type: none"> 1. first degree means the Bachelor degree program at the University selected by a school leaver applicant who is made a provisional offer 2. ISAT means the International Student Admissions Test. 3. rural Australia means a remoteness area in categories ASGC-RA 2 to ASGC-RA 5, in accordance with the Australian Standard Geographical Classification – Remoteness Area system. 4. Rural sub-quota means the number of places within the quota for this program set aside for the rural special entry scheme for this program. 	<ol style="list-style-type: none"> 1. For a provisional offer of a place: Applicants must have completed Grade 12 in the year of application with an OP1 or equivalent; and <ol style="list-style-type: none"> (a) domestic applicants must have a UMATⁱ score obtained in the year of application; and (b) overseas applicants must have obtained a score of at least 50 in each section of the UMATⁱ or a score of at least 60 in each section of the ISAT. 2. For the Rural Sub-quota: applicants must submit an application and supporting documentation to demonstrate residence of at least 10 years cumulatively or any 5 years consecutively in rural Australia since birth. 3. Subject to PPL 3.40.06b Undergraduate, Non-Award, and CSP Admissions—Procedures, section 12.2, for confirmation of a provisional offer/enrolment in the Doctor of Medicine, applicants must: <ol style="list-style-type: none"> (a) gain admission to their first degree in the year for which the provisional offer is made; and (b) complete the first degree in the minimum time required for that degree; and (c) gain a minimum GPA of 5 in all study at UQ up to graduation with the first degree; and (d) achieve a passing grade in subject prerequisiteⁱⁱ courses BIOM2011 Integrative Cell and Tissue Biology and BIOM2012 Systems Physiology (or equivalent as determined by the Executive Dean) 	<ol style="list-style-type: none"> 1. Domestic applicants will be selected on the basis of the UMAT aggregate. The UMAT Section 1 score will be used as a secondary differentiator to differentiate between applicants with the same UMAT aggregate. 2. If the UMAT test has been taken twice, the most recent results will be used. 3. Overseas applicants will be selected in order of application. 	

ⁱ Subject to change.

ⁱⁱ Prerequisite requirements for entry to the Doctor of Medicine program effective for 2022 enrolments and beyond.

Program	Definitions	Admission requirements	Selection	Deferment
		<p>(e)enrol in the Doctor of Medicine in the year following completion of the first degree, or within one year of completion of the first degree if completing honours in the first degree, or completing non-degree requirements for the purpose of obtaining professional registration related to the first degree, or within two years of completion of the first degree if continually enrolled in a PhD at UQ during the interim period.</p>		
<p>Doctor of Medicine (Direct Entry for Graduates)</p>	<p>1. key degree means the most recently completed bachelor degree awarded by an accredited Australian institution or overseas equivalent. Where an applicant has completed an approved postgraduate honours, postgraduate diploma, masters or doctoral degree after completion of a bachelor degree, the most recent of these will be used as the key degree. If an applicant's key degree was completed more than 10 years prior to the proposed commencement date, it will not be accepted for admission unless the applicant has completed other approved postgraduate study (such as a graduate certificate) in the 10 years preceding the proposed commencement date.</p> <p>2. GPA for the applicant's key degree means the weighted Grade Point Average calculated as follows: (a)all courses studied by the applicant while enrolled in the key degree will be included in the calculation, whether or not the courses counted towards the award of the key degree; and</p>	<p>1. Key degree: (a)At the time of application, an applicant must hold a key degree. (b)An applicant who does not hold a key degree will be considered for a conditional offer if the key degree is expected to be completed in the year of application. (c)An applicant made a conditional offer under 1(b) must be able to demonstrate that they have met all requirements for completion of the key degree prior to the end of the year of application.</p> <p>2. Key degree GPA: (a)The GPA for the applicant's key degree must above the annual threshold (on a scale of 0–7) set by the Executive Dean. The annual threshold will not be less than 4. 00. (b)Despite 2(a), if an applicant's key degree is (i) an honours degree awarded with class I, IIA, IIB or III, the applicant will be deemed to have a GPA of 7.00, 6.00, 5.00 and 4.00 respectively; or (ii) a research masters or doctoral degree, the applicant will be deemed to have a GPA of 7.00</p>	<p>1. Domestic applicants Invitation for an interview (MMI) will be based on the ranking of GAMSAT scores. 2. Final scoring of each applicant for ranking will be based on a weighting of 25% GPA, 25% average GAMSAT score and 50% MMI scores. 3. The final offer will be made based on available places and top ranking of final scores. 4. The Admissions Sub-Committee at the Faculty of Medicine provides oversight. 5. Overseas applicants will be invited for an MMI based on the ranking of MCAT or GAMSAT score. 6. Onshore overseas applicants who failed to meet the MD-Ochsner minimum interview threshold will not be considered for the onshore MD program in the same application year. 7. Alternative entry applicants transferring from another university or from a fee paying</p>	<p>An applicant in the final year of a bachelor degree may defer an offer for one year in order to— (a)undertake a recognised one year research or postgraduate program (i.e. Honours or Masters degree), in which case the offer will lapse if the applicant does not successfully complete the requirements for award of the Honours or Masters degree; or (b)complete non-degree requirements for the purpose of obtaining professional registration related to the applicant's current bachelor degree in which case the offer will lapse if the applicant does not successfully obtain professional registration.</p> <p>An applicant in the final year of a bachelor degree may defer an offer for two years in order to—</p>

Program	Definitions	Admission requirements	Selection	Deferment
	<p>(b) where the key degree was completed as part of a dual program, all courses studied towards both degrees will be included in the calculation; and</p> <p>(c) a course completed before enrolling in the key degree and credited towards the key degree, will be included in the calculation of the GPA; and</p> <p>(d) to satisfy 2(c), the applicant's grade for the course will be used, or, if ungraded, the applicant's GPA for the program in which the applicant was enrolled when undertaking the course, will be used as the grade for the course.</p> <p>3. rural Australia means a remoteness area in categories ASGC-RA 2 to ASGC-RA 5, in accordance with the Australian Standard Geographical Classification – Remoteness Area system.</p> <p>4. Rural sub-quota means the number of places within the quota for this program set aside for the rural special entry scheme for this program.</p> <p>5. GAMSAT means the Graduate Medical School Admissions Test. Average GAMSAT score refers to the total of the three section scores with equal weighting applied to all three sections of GAMSAT.</p> <ul style="list-style-type: none"> • Interview means an admission interview in the format of multiple mini-interview (MMI) assessing the key non-academic domains. 	<p>(c) If the applicant's GPA for the key degree cannot be calculated, the Executive Dean may determine an equivalent score.</p> <p>(d) For the purpose of 1(b), an applicant's results for last semester of enrolment will be excluded from the calculation.</p> <p>3. Prerequisites:ⁱⁱⁱ To be eligible for consideration—</p> <p>(a) at the time of application, applicants must have achieved a passing grade in prerequisite courses BIOM2011 Integrative Cell and Tissue Biology and BIOM2012 Systems Physiology (or equivalent as determined by the Executive Dean) in the 10 years preceding the proposed commencement date.</p> <p>(b) An applicant who does not hold a passing grade in prerequisite courses may be considered for a conditional offer if the prerequisite courses are expected to be completed in the year of application.</p> <p>(c) An applicant made a conditional offer under 3(b) must be able to demonstrate that they have met all requirements for completion of and passed the prerequisite courses prior to the end of the year of application.</p> <p>4. GAMSAT: To be eligible for consideration—</p> <p>(a) a domestic applicant must have a score in GAMSAT gained in the two years preceding the year of commencement and meet the threshold score in each section of GAMSAT; and</p> <p>(b) an overseas applicant must have obtained—</p>	<p>place at this university to an unencumbered place at this university will be selected on the basis of their GPA in the MD.</p>	<p>(a) commence a PhD at UQ, providing that the student is continually enrolled in that program during the interim period.</p>

ⁱⁱⁱ Prerequisite requirements for entry to the Doctor of Medicine program effective for 2022 enrolments and beyond.

Program	Definitions	Admission requirements	Selection	Deferment
	<p>(a) International applicants and those residing in rural or remote areas at the time of application may be eligible to complete their interview via video conference.</p> <p>(b) Applicants for the MD-Ochsner program will sit their MMIs at the Ochsner Clinical School.</p>	<p>(i) a minimum score of 50 obtained in each section of the GAMSAT, gained in the two years preceding the year of commencement; or</p> <p>(ii) a minimum MCAT score as determined by the Executive Dean, gained in the three years preceding the year of commencement.</p> <p>5. Interview: To be eligible for consideration for an offer, a domestic or international or Ochsner applicant must have completed a Multiple Mini-Interview (MMI) in the year of application.</p> <p>6. Ochsner cohort: To be eligible for consideration for the Doctor of Medicine—Ochsner program, an applicant must be a citizen or permanent resident of the United States of America.</p> <p>7. Rural sub-quota: To be considered for the rural subquota, applicants must provide a statutory declaration and supporting documentation to demonstrate they have spent in rural Australian regions RA2-RA5 at least 5 years continuously or 10 years cumulatively, for any given period since birth.</p> <p>8. Alternative entry: (1) The Executive Dean may permit direct entry to the program for— (a) students who have completed the first two years of a postgraduate medical program elsewhere in Australia; or (b) a domestic student to an unencumbered government funded place after the student has completed a minimum of two years as a fee paying student at this university subject to a quota of 2 places annually, in each of years 3 and 4, is available for students entering the under this sub-section; or</p>
